

§ 2711.1-3

subdivision having administrative or public services responsibility in the geographic area within which the lands are located. The notice shall be sent to other known interested parties of record including, but not limited to, adjoining landowners and current land users.

(c) The notice shall be published once in the FEDERAL REGISTER and once a week for 3 weeks thereafter in a newspaper of general circulation in the general vicinity of the public lands being proposed to be offered for sale.

(d) The publication of the notice of realty action in the FEDERAL REGISTER shall segregate the public lands covered by the notice of realty action to the extent that they will not be subject to appropriation under the public land laws, including the mining laws. Any subsequent application, shall not be accepted, shall not be considered as filed and shall be returned to the applicant, if the notice segregates the lands from the use applied for in the application. The segregative effect of the notice of realty action shall terminate upon issuance of patent or other document of conveyance to such lands, upon publication in the FEDERAL REGISTER of a termination of the segregation or 270 days from the date of publication, whichever occurs first.

(e) The notice published under § 1610.5 of this title may, if so designated in the notice and is the functional equivalent of a notice of realty action required by this section, serve as the notice of realty action required by paragraph (a) of this section and may segregate the public lands covered by the sale proposal to the same extent that they would have been segregated under a notice of realty action issued under paragraph (a) of this section.

(f) For tracts of public lands in excess of 2,500 acres, the notice shall be submitted to the Senate and the House of Representatives not less than the 90 days prescribed by section 203 of the Act (43 U.S.C. 1713(c)) prior to the date of sale. The sale may not be held prior to the completion of the congressional notice period unless such period is waived by Congress.

§ 2711.1-3 Sales requiring grazing permit or lease cancellations.

When lands are identified for disposal and such disposal will preclude livestock grazing, the sale shall not be made until the permittees and lessees are given 2 years prior notification, except in cases of emergency, that their grazing permit or grazing lease and grazing preference may be cancelled in accordance with § 4110.4-2(b) of this title. A sale may be made of such identified lands if the sale is conditioned upon continued grazing by the current permittee/lessee until such time as the current grazing permit or lease would have expired or terminated. A permittee or lessee may unconditionally waive the 2-year prior notification. The publication of a notice of realty action as provided in § 2711.1-2(c) of this title shall constitute notice to the grazing permittee or lessee if such notice has not been previously given.
